Forecast For Northern Ireland
Issued by Met Office Aberdeen
at 0400 on Thursday 08 Apr 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Milder and breezy with showery rain on Thursday.

Today:
Windy and mainly cloudy with some showery rain, but a few sunny intervals possible mainly near the east coast. A band of heavier rain is expected to reach northern counties later in the day. Maximum temperature 10 deg C (50 deg F).

Tonight:
Rain clearing southern areas this evening. Then a good deal of dry and clear weather, though some wintry showers will spread to northern areas overnight. Minimum temperature -1 deg C (30 deg F).

Friday:
A bright day with some sunny spells. A few mainly light hail or snow showers developing by the afternoon, dying out in evening with a frost setting in again. Maximum temperature 8 deg C (46 deg F).

Outlook for Saturday to Monday:
Sunny spells and a few wintry showers on Friday and Saturday brought in on cold northerly winds. Dry with sunny spells on Sunday.
